

### Things that make our Earth

**HAPPY**

**SAD**

Reduce, Reuse, Recycle, Rethink & efficiently, Goos Paper

Renewable/Clean energy -> hydro, solar, wind, turbines, geothermal, water, bike, electric cars, public transit, buy local

wildlife preservation, gardens, aquariums, aquariums, replanting trees, local foods, eating less meat

Reusable/biodegradable items, water, oils, multiuse plastics

Composting, ~~na~~ composting

Environmentally friendly organizations, conservation, alternative political groups, Earth Hour/Day

### Things that make our Earth

**HAPPY**

**SAD**

Recycling Reusing Reducing

Conserving water

Planting TREES

Less consumerism

Biodegradable

Energy conservation

Turn off lights/computers

Composting

POLLUTION

to landfill

to air

to water

to noise

Single-use plastics/products

Deforestation

Consumerism

Carbon emissions

Using too much electricity

Not composting

Poaching

Climate change

### Things that make our Earth...

**HAPPY**

**SAD**

recycler

planter plus d'arbres

éteindre les lumières

utilise moins le pétrole/gaz

earth hour/day

utilise les bouteilles qui peuvent être réutilisées

faire le composte

pollution

déforestation

littering

grande population

augmenter les usines et centres commerciaux

les pailles

gaspié le papier

jet l'eau

### Things that make our Earth...

**HAPPY**

**SAD**

- Recycling
- Composting
- Conserving Energy
- Planting trees
- Reuse items
- Reduce the amount of garbage you toss
- Use solar energy
- Use electric cars
- Use biodegradable items
- Buy quality clothes that last longer
- Buy used clothes
- Car pooling
- Public transportation
- Get rid of nuclear plants
- Use reusable products
- Earth Day activities and awareness
- Use paper, bamboo, or metal straws!

Littering

Climate change

Landfills

Global warming

Air pollution

Nuclear weapons

Using too much electricity

Oil spills

Greenhouse gas

Water pollution

Deforestation

Light pollution

Non-renewable energy

Packaging

Pesticides

Textile waste

Hunting endangered species

### Things that make our Earth

**HAPPY**

**SAD**

Renewable/Sustainable energy sources

Solar panels, wind turbines

reusable and biodegradable plastic

clean air

Composting/biocomposting

no herbicides or pesticides

organic/vegetarian

some "pollution-free"

Efficient recycling

plastics, paper, batteries, lightbulbs

Leaving/creating greenspace

preserve wildlife

replanting or not cutting trees

Being Eco-friendly

clean up programs/beach days

electric cars/bikes/walking

Earth Hour/Day

Ms. Goos

Reduce, Reuse, Recycle, ReThink

Greenhouse methane

cars, factories, fossil fuels

Chemicals, oil spills, smoking

Air pollution

Destroying natural animal habitats, urban sprawl, deforestation, extinction

Landfill-garbage, littering, plastics

water - ground pollution

Over use of natural resources

mining, energy waste, water waste, nuclear waste

Climate change

War

### Things that make our Earth...

**HAPPY**

**SAD**

- planter trees
- litter-free
- réduire, réutiliser, recycler
- la composte
- ramasse les déchets
- le vélo/bicyclette
- using renewable energy sources

cutting down trees

utiliser les automobiles

la pollution (les déchets)

utiliser les usines qui utilisent le charbon

changement climatique

utiliser le gaz

utiliser trop d'électricité

### Things that make our Earth...

**HAPPY**

**SAD**

- pas de déchet dans l'océan
- planter des fleurs
- ramasser des déchets
- prendre la bicyclette, marche
- coupe des arbres
- lancer des déchets dehors
- inondation
- chasser les animaux
- gaspille la nourriture
- les feux de forêts

### Things That Make our Earth...

**HAPPY**

**SAD**

- saving power
- reducing pollution
- cleaning the oceans
- using solar panels instead of coal
- no littering
- responsible logging
- not clear-cutting
- tree planting
- recycle
- littering
- mining
- oil spills
- starting fires
- hunting too much
- producing garbage, improper waste disposal
- cutting down trees

Mr. LeBlanc's Class

### Things that make our Earth

**HAPPY**

**SAD**

Park clean up

water parks

Composting

planting trees, gardens

local environmental laws

Cleaning the oceans

cleaning the beaches

Dark Blue, Red

Littering

not turning logs off

Cutting trees down

Poaching

endangered species

over fishing

over hunting

using water

water pollution

Bad mining practices

Logging

Earth Hour

(SAD) Urban sprawl

Wasting paper
